

# What to Expect at Your Rehearsal

Rehearsing with the AV team will help you feel comfortable and will allow the technical team to ensure all of the elements of your presentation are working perfectly

1

## Time Commitment

Be prepared to spend some time at the rehearsal as the technical team needs to set up and test equipment.

2

## Dress for Rehearsal

Wear your presentation outfit and bring all necessary props to ensure everything works smoothly together.

3

## Ask Questions

Don't hesitate to ask questions and clear up any doubts you have regarding equipment and technical aspects.

4

## Technical Cues

If you have specific cues that need the tech team's assistance, communicate them clearly during the rehearsal.

## Presentation Prep

After your rehearsal, you should

- Know where, what time and with whom to check in on the day of your presentation
- Understand the equipment and staging you will be interacting with
- Feel confident that your technical team will be able to support you
